

## Wait: The Art and Science of Delay

What do these scenarios have in common: a professional tennis player returning a serve, a woman evaluating a first date across the table, a naval officer assessing a threat to his ship, and a comedian about to reveal a punch line? In this counterintuitive and insightful work, author Frank Partnoy weaves together findings from hundreds of scientific studies and interviews with wide-ranging experts to craft a picture of effective decision-making that runs counter to our brutally fast-paced world. Even as technology exerts new pressures to speed up our lives, it turns out that the choices we make unconsciously and consciously, in time frames varying from milliseconds to years benefit profoundly from delay. As this winning and provocative book reveals, taking control of time and slowing down our responses yields better results in almost every arena of life even when time seems to be of the essence. The procrastinator in all of us will delight in Partnoy's accounts of celebrity delay specialists, from Warren Buffett to Chris Evert to Steve Kroft, underscoring the myriad ways in which delaying our reactions to everyday choices large and small can improve the quality of our lives.

Puig 3 aula3 Aula Hontanar AGEA Valencia La "Anunciación" a San José Por Juan María Silvela Milans del Bosch Hay dos personajes del Nuevo Testamento que en mis lecturas de exégesis nunca he llegado a entender del todo; son San Juan Bautista y San José. Sobre el primero de ellos, un libro, titulado: Los esenios, Qumrán, Juan Bautista y Jesús de Hartmut Stegemann (1), me aclaró bastante el personaje, pero me quedan varias dudas sobre el mismo. Continuar leyendo Presentación de AGEA VALENCIA Hoja de Presentación de AGEA VALENCIA LA MENTALIDAD HIDALGA EN INDIAS Los españoles emigrados a América tenían un extraordinario interés en mantener las tradiciones y costumbres heredadas de sus antepasados. Cuando éstos pertenecían a la nobleza, era aún mayor el empeño por conservar esa condición de nobles hidalgos, y acreditarla debidamente mediante

documentos, que la justificaran, para asÃ- transmitirlo a sus descendientes. Continuar leyendo MÃ;s artÃ-culos...
