

## Ruby (Orlan Orphans Book 2)

Eighteen year old Ruby has known for years that she would eventually marry her childhood sweetheart. When she's forced to move to Texas, it throws a kink in her plans, but she still knows that David will send for her, and they'll marry. After a year of living in Texas she receives a letter changing her whole world. Lewis moves to Nowhere, Texas, to start a new life with his sons after his wife leaves him for another man. When he's introduced to Ruby, he feels strongly that she would be the perfect wife and new mother for his boys. The only problem is she's engaged to someone else. When he finds out Ruby is no longer engaged, he takes the opportunity to make his move, asking her to marry him immediately. Will Ruby ever get over her feelings for her former fiancé and fall for Lewis? Or will they spend their lives trapped in a loveless marriage?

Sobre el primero de ellos, un libro, titulado: Los esenios, Qumrán, Juan Bautista y Jesús de Hartmut Stegemann (1), me aclaró bastante el personaje, pero me quedan varias dudas sobre el mismo. Cuando éstos pertenecían a la nobleza, era aún mayor el empeño por conservar esa condición de nobles hidalgos, y acreditarla debidamente mediante documentos, que la justificaran, para así transmitirlo a sus descendientes.
