

The Man from Shenandoah (The Owen Family Saga Book 1)

Young cavalryman Carl Owen returns from the Civil War to find the family farm destroyed, his favorite brother dead, food scarce, and his father determined to leave the Shenandoah Valley to build a cattle empire in Colorado Territory. Crossing the continent, Carl falls in love with his brother's fiancée while set to wed another girl, but he might lose everything if the murderous thug Berto Acosta has his way. Carl battles a band of outlaws, a prairie fire, blizzards, a trackless waterless desert, and his own brother for the hand of feisty Ellen Bates. I finished *The Man from Shenandoah* at half-past midnight because I couldn't put it down. - Utah Reader This is a book to prize, and not only for its gritty realism, exciting action, and compelling characters. The story further engages us by examining the ties that hold family and community together. Not many Westerns do that. Heartily recommended! - Western Writers Newsletter Book 1: The Owen Family Saga

Sobre el primero de ellos, un libro, titulado: Los esenios, Qumrán, Juan Bautista y Jesús de Hartmut Stegemann (1), me aclaró bastante el personaje, pero me quedan varias dudas sobre el mismo. Cuando éstos pertenecían a la nobleza, era aún mayor el empeño por conservar esa condición de nobles hidalgos, y acreditarla debidamente mediante documentos, que la justificaran, para así transmitirlo a sus descendientes.
