

Animal Farm, 50th Anniversary Edition

Animal Farm is the most famous by far of all twentieth-century political allegories. Its account of a group of barnyard animals who revolt against their vicious human master, only to submit to a tyranny erected by their own kind, can fairly be said to have become a universal drama. Orwell is one of the very few modern satirists comparable to Jonathan Swift in power, artistry, and moral authority; in animal farm his spare prose and the logic of his dark comedy brilliantly highlight his stark message. Taking as his starting point the betrayed promise of the Russian Revolution, Orwell lays out a vision that, in its bitter wisdom, gives us the clearest understanding we possess of the possible consequences of our social and political acts. (Book Jacket Status: Jacketed)

Sobre el primero de ellos, un libro, titulado: Los esenios, Qumrán, Juan Bautista y Jesús de Hartmut Stegemann (1), me aclaró bastante el personaje, pero me quedan varias dudas sobre el mismo. Continuar leyendo Presentación de AGEA VALENCIA Hoja de Presentación de AGEA VALENCIA LA MENTALIDAD HIDALGA EN INDIAS Los españoles emigrados a América tenían un extraordinario interés en mantener las tradiciones y costumbres heredadas de sus antepasados. Cuando éstos pertenecían a la nobleza, era aún mayor el empeño por conservar esa condición de nobles hidalgos, y acreditarla debidamente mediante documentos, que la justificaran, para así transmitirlo a sus descendientes.
