

Im Losing You: Book Four in the Stafford Brothers Series

Dr. Vic Stafford has an enviable career, a gorgeous wife, and two handsome, well-behaved sons. He travels extensively without his family, but after twelve years of marriage, former beauty queen wife, Ramona has become cold and distant. He suspects all isn't as it seems and sets out to discover what is behind her attitude change. Ramona Stafford has lived a privileged life since her marriage to Vic. She spends her time doing charity work and making her husband, who is now the chief of surgery at the largest hospital in the south, look good. Mona has everything most women would kill for, but it's not enough. She wants more, and Vic seems unable to give it to her. Is money and status enough to keep their marriage alive?

Cuando éstos pertenecían a la nobleza, era aún mayor el empeño por conservar esa condición de nobles hidalgos, y acreditarla debidamente mediante documentos, que la justificaran, para así transmitirlo a sus descendientes.
