

## Sweet Mountain Rancher (Those Marshall Boys)

He can say no to everything but her Nate Marshall used to be a yes-man until being so agreeable cost him dearly. But Eden Quinn has a way of getting him to reconsider his just say no policy. Which is how a bunch of troubled teens end up at his ranch for the weekend. The boys in Edens care are a handful, and Nate can't help but be attracted to the feisty, independent woman who keeps them in line. This cowboy knows Edens no damsel in distress, yet it's clear hers isn't a one-woman job. If she's determined to do everything on her own, how can he help her let alone get her to fall for him?

Cuando éstos pertenecían a la nobleza, era aún mayor el empeño por conservar esa condición de nobles hidalgos, y acreditarla debidamente mediante documentos, que la justificaran, para así transmitirlo a sus descendientes.
