

## Alexanders Bridge (Classic Reprint)

Alexander s Bridge was my first novel, and does not deal with the kind of subject-matter in which I now find myself most at home. The people and the places of the story interested me intensely at the time when it was written, because they were new to me and were in themselves attractive. Alexander s Bridge was written in 1911, and OP ioneers! the following year. The difference in quality in the two books is an illustration of the fact that it is not always easy for the inexperienced writer to distinguish between his own material and that which he would like to make his own. Everything is new to the young writer, and everything seems equally personal.(Typographical errors above are due to OCR software and dont occur in the book.)About the Publisher Forgotten Books is a publisher of historical writings, such as: Philosophy, Classics, Science, Religion, History, Folklore and Mythology.Forgotten Books Classic Reprint Series utilizes the latest technology to regenerate facsimiles of historically important writings. Careful attention has been made to accurately preserve the original format of each page whilst digitally enhancing the aged text. Sobre el primero de ellos, un libro, titulado: Los esenios, QumrÃ¡n, Juan Bautista y JesÃºs de Hartmut Stegemann (1), me aclarÃ³ bastante el personaje, pero me quedan varias dudas sobre el mismo.
