

## Death Comes for the Archbishop

Death Comes for the Archbishop is a 1927 novel by American author Willa Cather. It concerns the attempts of a Catholic bishop and a priest to establish a diocese in New Mexico Territory. The novel is based on the life of Jean-Baptiste Lamy (1814-1888), and partially chronicles the construction of the Cathedral Basilica of St. Francis of Assisi. The capture of the Southwest by the United States in the Mexican-American War is the catalyst for the plot.
