

The Red Heart of Jade: A Dirk & Steele Novel

If you have yet to add Liu to your must-read list, you're doing yourself a disservice. Booklist Marjorie M. Liu has created a most unusual investigative organization in the Dirk and Steele Detective Agency a collection of shapeshifters, psychics, and other uniquely gifted individuals and in doing so has revitalized the paranormal romance genre. In *The Red Heart of Jade*, an ex-cop with extraordinarily heightened senses follows a trail of death to Taipei and finds the woman of his heart there, the childhood love he once believed dead, whom he must now protect from an unspeakable evil. Thrilling, sensuous, surprising, remarkable *The Red Heart of Jade* is all that and more. No wonder Christine Feehan says, "Anyone who loves my work should love hers."

Cuando éstos pertenecían a la nobleza, era aún mayor el empeño por conservar esa condición de nobles hidalgos, y acreditarla debidamente mediante documentos, que la justificaran, para así transmitirlo a sus descendientes.
