

Release Me (The Holmes Brothers Book 2)

Originally published by Dorchester Publishing, June 2008 Tobias Toby Holmes was destined for NBA stardom. But when an SUV crashed into his car during his rookie year, his dreams of playing pro-basketball, along with his spine, were shattered. After floundering from one job to another, Toby has finally found his niche in the music business. And when the singing sensation he discovered is pegged to star in a new reality TV show, Toby finally sees light at the end of what has been a very dark tunnel. Sienna Culpepper has loved her childhood best friend forever, though he has never seen anything other than the girl with skinny legs, cornrows, and mad skills on the basketball court. When Toby returns to their hometown of New Orleans to start his career as a record producer/manager, Sienna is resigned to loving him from afar. However, when Sienna and Toby find themselves working together, feelings arise that has them both rethinking their friendship.

Sobre el primero de ellos, un libro, titulado: Los esenios, Qumrán, Juan Bautista y Jesús de Hartmut Stegemann (1), me aclaró bastante el personaje, pero me quedan varias dudas sobre el mismo. Cuando éstos pertenecían a la nobleza, era aún mayor el empeño por conservar esa condición de nobles hidalgos, y acreditarla debidamente mediante documentos, que la justificaran, para así transmitirlo a sus descendientes.
