

## Moral Intent (The Intent Series Book 2)

Michael Williams has never gotten over his ex-wife, Caitlin, so when he receives a letter from his former mother-in-law asking for help, he sees an opportunity to rekindle the flames. After seeing Caitlin again and discovering that her life is in danger, he'll stop at nothing to protect her. But will he have enough time to win her back before a cold-blooded killer ends her life? Caitlin Taylor had not seen Michael in almost five years until the day of her mother's funeral. Her mother had, she learns, actually summoned him only he showed up a day too late. She can't forgive him: had he arrived earlier, her mother wouldn't have died. When an attempt is made on her own life, Michael steps in to protect her. She trusts him to do that, but can she trust him with her heart again?

Sobre el primero de ellos, un libro, titulado: Los esenios, Qumrán, Juan Bautista y Jesús de Hartmut Stegemann (1), me aclaró bastante el personaje, pero me quedan varias dudas sobre el mismo. Cuando éstos pertenecían a la nobleza, era aún mayor el empeño por conservar esa condición de nobles hidalgos, y acreditarla debidamente mediante documentos, que la justificaran, para así transmitirlo a sus descendientes.
