

## Cornered: The Painful True Story of My Child Abuse Hell (Child Abuse True Stories)

Born in 1975, Louise was living a happy, normal life as the much adored only child of two loving and hard-working parents. But then the tragic deaths of her father and grandfather within two years of each other turn her life upside down. Having moved in with her mothers parents after the death of her father, Louise finds that her grandmothers increasing reliance on the local church for comfort after her husbands death draws a soon to be unwelcome guest to the family home: the verger, Mr. Jarvis. Whilst outwardly paying attention to her widowed grandmother, he also seems to be focussed on Louise herself, and abuses his position of trust, both at the churchs Sunday school and in the family home, to force his unnatural obsessions on her. Even after Louises mother remarries and she can finally look forward to moving away from Mr. Jarvis, Louise must endure one more harrowing attack before he is finally caught out. But even then, with child protection teams still very much in their infancy in the early 1980s, Louise still lives with the consequences of her unstable childhood. **WARNING:** This book is based upon a true story of child abuse, and as such contains passages that some readers may find disturbing.

Puig Aula3 Aula Hontanar AGEA Valencia La "Anunciación" a San José Por Juan María Silvela Milans del Bosch Hay dos personajes del Nuevo Testamento que en mis lecturas de exégesis nunca he llegado a entender del todo; son San Juan Bautista y San José. Sobre el primero de ellos, un libro, titulado: Los esenios, Qumrán, Juan Bautista y Jesús de Hartmut Stegemann (1), me aclaró bastante el personaje, pero me quedan varias dudas sobre el mismo.
