

## The Cold War: A New History

The dean of Cold War historians (The New York Times) now presents the definitive account of the global confrontation that dominated the last half of the twentieth century. Drawing on newly opened archives and the reminiscences of the major players, John Lewis Gaddis explains not just what happened but why from the months in 1945 when the U.S. and the U.S.S.R. went from alliance to antagonism to the barely averted holocaust of the Cuban Missile Crisis to the maneuvers of Nixon and Mao, Reagan and Gorbachev. Brilliant, accessible, almost Shakespearean in its drama, *The Cold War* stands as a triumphant summation of the era that, more than any other, shaped our own.

Continuar leyendo Presentación de AGEA VALENCIA Hoja de Presentación de AGEA VALENCIA LA MENTALIDAD HIDALGA EN INDIAS Los españoles emigrados a América tenían un extraordinario interés en mantener las tradiciones y costumbres heredadas de sus antepasados. Cuando éstos pertenecían a la nobleza, era aún mayor el empeño por conservar esa condición de nobles hidalgos, y acreditarla debidamente mediante documentos, que la justificaran, para así transmitirlo a sus descendientes.
