But someone threatens to ruin their first Christmas together. Logan refuses to let anyone or anything destroy his submissives happiness. What can he do to save Christmas for his love? A Christmas Short Story for The Sergeant. This story can be enjoyed as a stand alone, but your experience will be enhanced by reading The Sergeant first. Praise for The Sergeant Hottest book of 2014 so far! I loved the struggle and the growth Clays character had to go through before they could have their HEA. The love story between Logan and Clay was beautiful to watch. And while the sex scenes were incredibly hot, you dont ever forget that youre reading a love story between two bull headed men! The happiness and security Clay feels as Logans sub practically radiate off the pages of this great book. The loss he feels when he has to take off his collar to go to work literally made me cry. - Tina, The Novel Approach You wanted things to work out, because you had two people who you liked as people, and obviously were meant to be together, trying to find their way into the right relationships for themselves. - Denise, Two Chicks Obsessed with Books & Eye Candy
