

## Sand: The Colonels Daughter

Dallas is a Special Forces Lieutenant who is driven by his promise to protect the Colonels daughter Abby from an opium drug lord. He is torn between duty and his love for her and when he discovers that the drug lords charmingmurderous son has befriended Abby, theres no limit to how far he is willing to go to protect her.

\*\*\*\*\* Written in a clear, concise, lean-and-mean style with engaging characters and non-stop action. Very enjoyable read. Ill be watching Lili Tufel. Vicki Hinze, award-winning author of 4 nonfiction books and 24 novels including DEADLY TIES and FORGET ME NOT.

Fantastic Fast paced action filled romance! I stayed up till 4:00am to finish the story. Well worth your time and money! Meg Magruder

\*\*\*\*\* Its been a while since Ive read an action adventure novel, and it was especially enjoyable to fall into a story like SAND, which from beginning to end moves along at a steady clip. Lili Tufel is a talented author who has clearly done a thorough job of researching her story, assuring that changing scenes and foreign settings are well described and believable, effectively drawing readers into the rhelms of non-stop action. The main characters are engaging and likable from their first appearance, and readers will find themselves rooting for the dual heroes

throughout. There are some true surprises here, several plot points that when cracked wide open, reveal character nuances both startling and unexpected. There are very few quiet moments in SAND, as this is a book where the plot moves quickly and a reader needs to keep on their toes. Not all characters are who they seem, and motivations are not always what we might surmise at first glance. Barbara Forte Abate, author of The Secret of Lies

\*\*\*\*\* Great read. I very much enjoyed following the characters and the ending was one I was not prepared for nor did I see it coming. Great! Donna Dowd

\*\*\*\*\* I loved this book. Finished reading in one sitting. Cant wait for her next book. Great debut. smartmouth

\*\*\*\*\* Fantastic story! You will read it in one sitting. There is no way you can walk away and not finish it. John Poindexter, award-winning author and former Special Agent for the Air Force Office of Special Investigations. He received training with the FBI, CIA and various other governmental agencies.
