

The Magician (Annotated)

This Edition Features ? A Detailed Biography of W. Somerset Maugham ? A Fully Interactive Table of Contents ? Superior Kindle Formatting The Magician is one of Somerset Maughams most complex and perceptive novels. Running through it is the theme of evil, deftly woven into a story as memorable for its action as for its astonishingly vivid characters. In fin de siecle Paris, Arthur and Margaret are engaged to be married. Everyone approves and everyone seems to be enjoying themselves until the sinister and repulsive Oliver Haddo appears. Seahorse Classics brings great works of literature to life in digital format, upholding the highest standards in e-book production and celebrating reading in all its forms.
