

The Womans Kabbalah: Ecstatic Jewish Practices for Women

One of America's leading women rabbis unlocks the Kabbalah's feminine wisdom. Kabbalah. The word itself is feminine, meaning receiving, yet women have long been excluded from the pursuit of this Jewish mystical tradition. On *The Woman's Kabbalah*, Rabbi Tirzah Firestone opens a treasury of meditations and practices especially for women who are interested in this path to inner knowing. Through chant, meditation, and journaling, you will learn how to spark, explore, and express your spiritual self according to the Kabbalah's once-guarded instructions. Included are specific techniques for contacting and creating a relationship with your *maggid* (personal spirit guide), connecting with your soul-family, and integrating the Tree of Life into your body and soul. For the Kabbalah to be a living body of truth, Rabbi Firestone teaches, it must include women in its framework. Now its feminine dimension is finally and richly illuminated through the all-embracing practices on *The Woman's Kabbalah*.

Cuando éstos pertenecían a la nobleza, era aún mayor el empeño por conservar esa condición de nobles hidalgos, y acreditarla debidamente mediante documentos, que la justificaran, para así transmitirlo a sus descendientes.
