

My Kind of Trouble (#1, Texas Trouble) (Texas Trouble Series)

A western romantic suspense series by New York Times and USA Today bestselling author, Becky McGraw with hot cowboys, a dash of suspense and a lot of southern humor--the perfect recipe for Trouble. All of the books in the Texas Trouble series can be read standalone. MY KIND OF TROUBLE Cassie Bellamy swore shed never go back to her hometown when she left Bowie, Texas ten years prior. In that time shed all but forgotten about the man who sent her running to Phoenix in the first place, bad boy Luke Matthews. She had built a new life in Arizona, which included a successful real estate business and a new fiance. The last thing she needed was to dredge up old memories by seeing him again. But her daddy was hurt and needed her help at the ranch. Her plan was to get her daddy on his feet as quickly as possible and avoid Luke Matthews like the plague. That plan went to hell fast when, on a nostalgic whim, she decided to drive her old pickup back to Bowie, instead of her BMW. Bessie gave up the ghost five miles outside of Bowie, and the one person she wanted to avoid became her knight in brown khaki. Cassie knew right then she was in big trouble. The reformed bad boy was the Sheriff of Bowie now, and not only was he still hotter than the Texas sun, his anger toward her was too. Luke Matthews had worked damned hard to change the way people of Bowie thought of him. He was no longer known as the bad boy son of the towns drunk, they called him Sheriff now. For ten years, Luke had been living on the right side of the law. Although he was discreet about it, he also played hard to forget about the woman whod given him the determination to better himself by leaving him ten years prior without a word. His strategy had worked perfectly until he came across a beat up pickup on the side of the road and decided to play good Samaritan. That charitable act led him to the uncharitable owner of the

illegally long legs sticking out from under the hood. Cassie Bellamy was back in town and the beautiful blonde was just as sassy and stubborn as she always had been.

At first he's pissed, but then he realizes he's just been presented with the prime opportunity to finally settle his mind and move on. Luke is determined before he sees her beautiful backside on the way out of town, he will have his answers, even if it takes hog-tying her to get them.
