

Annette Lyon Collection (A Timeless Romance Anthology Book 12)

Amazon #1 Bestselling series in *New Release* for Clean Romance The ANNETTE LYON COLLECTION contains brand new contemporary romance novella OUR SONG, as well as five hand-picked readers and reviewers favorites of Annettes popular Timeless Romance Anthology novellas. Readers will love this selection of three contemporary and three historical romance novellas. In OUR SONG, a charming romance novella, Cassie and Matt have been dating in the Yellowstone area for two years, and things are, well, average. When Cassie meets up with two college friends who are visiting, their love lives like sound like fairy tales: rose petals, chocolates, candles on the beach Cassie goes home feeling like shes missing out. After all, repeatedly watching Old Faithful erupt and walking through sulfur-smelling gases at Fountain Paint Pot dont exactly say romance. Maybe things with Matt arent going anywhere, and its time to move on. Then she discovers that perception and reality are completely different things. Now she can only hope it isnt too late to show Matt how much she really cares. In the sweet novella GOLDEN SUNRISE, Natalie takes time out of her crazy schedule to fly to Vegas for her best friends wedding. Sierra and Jason, high-school sweethearts, are finally getting married. Fortunately for Natalie, her old high-school flame, Adam, has a work commitment and cant be there as best man. But when she arrives at the wedding rehearsallate and raggedAdam is there. When Adam makes a wild suggestion, Natalie just may take him up on it, even though she knows hes moved on. A single choice may mean Natalie is taking a shot at reclaiming the pastor that shes putting her heart in harms way a second time. FIRSTS AND LASTS, an enchanting novella, begins with Danis last week in New York. Shes failed in her dreams to catch a break as an actress and is now ready to return

home and dust herself off. As she visits the places on her final to-see list, she meets Mark, another New York City transplant with big dreams. Except Mark hasn't given up on his. As they spend the day together, Dani realizes that even though she hasn't hit the big time she might be living her dream after all. Only problem: she has a one-way ticket back home. In the compelling novella *WAR OF HEARTS*, Anna, a journalist, is desperate to escape the magazine where Pete, her now-former boyfriend, also works. Heartbroken and still in love with him, Anna snags an assignment to cover the Winter War in Finland. She arrives at a snowy Finnish battlefield only to discover that Pete is already there as her photographer. She's determined to be professional about the situation until a battle breaks out in camp, putting her and Pete in harm's way and putting their love to the test. The captivating novella *BETWEEN THE LINES* follows Jane Martin, who is intelligent but extremely shy, especially around men. When the Aid and Cultural Society proposes a letter-writing program, Jane signs up, hoping she can find true friendship. The program doesn't run as smoothly as expected, and unknown to Jane, one of the men in her city becomes her writing friend. Thomas Allred has always known shy and quiet Jane, but reading her letters written to his secret persona, opens his eyes to what an amazing woman she is. The only trouble is, Jane doesn't know that the man who she is falling in love with through letters is also Thomas, the man who is falling in love with her in person. In the charming novella *A TASTE OF HOME*, we meet Claire Jennings, who's on her way to spend Christmas with her family. As she rides the train with William Rhodes, who grew up across the street, memories of the past flood her mind. He may be twenty-one now, but she can't forget his torturous teasing from their school years. At the rail station, Claire discovers her home is under quarantine because her little brother has measles. She's stuck in town, away from

her family, on her favorite holiday, with William.
