

Hope: Bride of New Jersey (American Mail-Order Brides Series Book 3)

Hope: Bride of New Jersey is third in the unprecedented fifty-book American Mail-Order Brides series. In this faithful Jane Eyre retelling, Hope Middleton was all but thrown away by the family that was supposed to care for her. Now on her own, she loses her job when the factory where she worked burned to the ground. With no other alternatives, she answers an advertisement for a mail-order bride and travels to Newark, New Jersey, expecting a simple life in a quiet community. Instead, she is thrown into the middle of the dark mystery that surrounds her enigmatic fiancé, with only the chance of falling in love as her saving grace. This retelling brings the drama of a Brontë classic together with the romance of a mail-order bride novella.
