

Sexual Ethics And Islam: Feminist Reflections on Quran, Hadith, and Jurisprudence

Whether exploring the thorny issues of wives sexual duties, divorce, homosexuality, or sex outside marriage, discussions of sexual ethics and Islam often spark heated conflict rather than reasoned argument. In this ground-breaking, lucid, and carefully constructed work, feminist Muslim scholar Dr Kecia Ali asks how one can determine what makes sex lawful and ethical in the sight of God. Drawing on both revealed and interpretative Muslim texts, Ali critiques medieval and contemporary commentators alike to produce a balanced and comprehensive study of a subject both sensitive and urgent, making this an invaluable resource for students, scholars, and interested readers.

Sobre el primero de ellos, un libro, titulado: Los esenios, QumrÃ¡n, Juan Bautista y JesÃºs de Hartmut Stegemann (1), me aclarÃ³ bastante el personaje, pero me quedan varias dudas sobre el mismo.
