

Jagger: A Caldwell Brothers Novel

USA TODAY BESTSELLER Full of swagger and sensuality, the Caldwell Brothers series perfect for fans of Katy Evans and Emma Chase packs an emotional punch as the last bachelor standing fights for a woman whose worth every ounce of trouble. Jagger Caldwell is no one's hero. With a reputation for busting heads and breaking hearts on the underground MMA circuit, he lives for easy cash and easier women. But when he stumbles upon an all-too-familiar scene, painful memories awaken Jagger's sensitive side and compel him to act. As a kid, he stood helplessly as his old man beat his mom. Now, Jagger won't let seventeen-year-old Tatiana Rand suffer the same fate. Nothing matters except saving her. Tatiana is a prisoner in her own home, at the mercy of her violent father until an unlikely savior bursts through her door and into her life. Six-foot-plus of tattooed muscle and raw power, Jagger is no prince charming but Tatiana stopped believing in fairy tales long ago. Despite their differences in age and, well, everything else, the sexy bad boy sparks a fire that Tatiana never knew she had and desires that only Jagger can quench. Praise for Jagger The youngest of the Caldwell brothers packs a good punch! In this fast-paced story, Jagger falls for the girl cowering in the corner and claims his legacy along the way. New York Times bestselling author Heidi McLaughlin The Caldwell brothers never disappoint. Jagger will fight for your heart and win it a thousand times over! Stacey Kennedy, USA Today bestselling author of the Club Sin series Heartwarming and humorous, Jagger gives us the modern-day hero everyone needs. Ryan Michele, author of Ravage Me Chelsea Camaron and MJ Fields find that cool mix between beauty and beast with Jagger. He was born to be a fighter, and Tatiana needs him in her corner. S. M. Donaldson, author of the Game Time series The word flow of these books is so

good and melodic... . The drama, when looked at in the context of the whole story, fits in with the general tone the story sets. The Romance Factor Jagger brought me to my knees emotionally and had me falling hard for three of the sexiest heroes and the strong women who make them better men. Rochelles Reviews A successful final installment ... [Jagger Caldwell is] probably my favorite of the three. Carlene Inspired I absolutely love this series about the Caldwell Brothers. I couldn't wait to read Jagger's story. She Hearts Books (4 hearts) I found Jagger to be an excellent conclusion to the story (and I still loved the overlap from the other books, seeing scenes in Jagger's and Tottys eyes), and found Baby Caldwell to have just as much emotional capacity as his brothers. Mignon Mykel Reviews Thank you, Chelsea and MJ, for this wonderful series about fighting for a better life. Ripe for Reader What a wonderful finish to this series. The Caldwell Brothers are not to be missed. I have read each book in this series and I have enjoyed each one in its own way.
