

Beyond the Breaking Point and Broken: Box Set Edition

Beyond the Breaking Point Breaking point. Everyone has one. For Dr. Cassidy Brannon it was discovering her husband, Phillip, in a compromising position with his best friend Max's almost fiancée, Amber, while vacationing with the other couple. Angry and heartbroken, she and Max indulge in a night of drunken, vindictive sex. The next day, Cassidy returns home with one goal in mind: divorce. However, nothing goes as planned. Phillip, hell bent on fixing their marriage, won't agree to a divorce. What was only meant to be one, never to be spoken of again, night with Max is evolving into something much more complicated. Then Cassidy discovers she's pregnant. With both Max and Phillip adamantly claiming to be the father, how much more can Cassidy take before she's pushed beyond the breaking point?

Broken Max Desalvo is a broken man. Two years ago he gave his heart, soul and body to another man's wife, Cassidy Brannon. And, he'd thought, his child. They'd made promises, vows. One year. One year for Cassidy to secure her freedom, so they could be together. Unable to be in the same city with Cassidy and not see her, hear her voice, or touch her, Max left. While gone he waited, waited, and waited for the call that never came. Now he's returned to Philly, his home. Running into Cassidy was inevitable, but she isn't the woman he remembers. If he's broken, she's shattered. Phillip, her husband, is dead. Why hadn't Cassidy contacted him once she was free? And why does she gaze at him with eyes full of hurt and mistrust, as though he were the one to break her heart? Max has a choice. Discover the truth of what happened and reclaim the love he's lost or forever remain broken.

Sobre el primero de ellos, un libro, titulado: Los esenios, Qumrán, Juan Bautista y Jesús de Hartmut Stegemann (1), me aclaró bastante el personaje, pero me quedan varias dudas sobre el mismo. Cuando éstos pertenecían a la nobleza, era aún mayor el empeño por conservar esa condición de nobles hidalgos, y acreditarla debidamente mediante documentos, que la justificaran, para así transmitirlo a sus descendientes.
