

Workplace Bullying: How to Survive and Thrive with a Bully Boss

A bully for a boss makes life absolutely terrible. Do you work for a boss that bullies you around? Do you feel fed up, exhausted, helpless, or powerless at work? You can gain back your power, your dignity, and your work life. And this book shows you how. Working for a bully boss is miserable. A bully boss mistreats you, abuses you, and most stressful of all - threatens your livelihood. The situation is unbearable because you need a job and your boss has direct power over your paycheck. Its easy to feel helpless. Also, the effects of a bully boss spill into other areas of your life. Since youre so stressed at work, you carry it with you everywhere you go and the stress will make your relationships and your health much worse. What do you do when you have a bully boss? Workplace Bullying takes you though the steps you need to take in order to feel empowered and get your life back on track. This book will teach you those steps. This books starts out with the signs you need to understand to determine if you are in fact being bullied by your boss - which is a very serious issue. Then this book discusses why being bullied is such a serious issue, and why you may have inadvertently put yourself in a situation to be bullied at work so you can understand whats going on. Next, the book discusses what you should do next. Starting with handling your internal emotions, this book guides you on how to document the abuse, when to stand up to the bully, how to gather support from family, friends, and coworkers, and how to expose the bully to your employer. This book also teaches you how to plan your exit from your employer and discusses the pros and cons to suing your employer. Last, this book helps you recover from the bullying. This is a process, which takes time, but its a very important step in dealing with workplace bullying. You need to recover and regain your self-confidence so you can continue

being productive and happy with your work life in your current job or with your next job. Recovering from a bully boss is a process. One that takes time, but one that can and must be done. Use this book as your guide in order to help you effectively recover from your despicable bully boss. Want To Know More? Download this book and get stop being bullied by your boss right now.
