

## Demons and Lullabies (The Demons Age)

Some little boys want to be firemen or astronauts when they grow up. From the moment Jacob understood what his fathers did, he never wanted to do anything but fight demons. Andrew, Jacobs father and a vampire, fights demons because its a necessity: few others have the strength or skill to kill the strange creatures that started appearing the very night his son was born. He carries with him some guilt, too, and the suspicion that the magic that made Jacobs very life possible also opened the way for the demons. The last thing he wants is for his son to ever join this fight and get hurt. As the years pass, however, and Andrew watches Jacob grow up and grow more determined, he slowly has to accept theres little he can do to deter his son. It doesnt help that Nicholas, Jacobs other dad and Andrews Childe, starts giving Jacob sword-fighting lessons under the cover of playing, or that Jacob discovers his mothers diaries and comes to the same conclusion Andrew did concerning his origins and the demons. Through snapshots covering Jacobs life from birth to adulthood, watch all three members of this unusual family change, grow up, and find their place in the world. 107,000 words Please note - This is a sequel / companion story to Fangs and Lullabies also available on Kindle.

Puig 3aula3 Aula Hontanar AGEA Valencia La "Anunciación" a San José Por Juan María Silvela Milans del Bosch Hay dos personajes del Nuevo Testamento que en mis lecturas de exégesis nunca he llegado a entender del todo; son San Juan Bautista y San José. Sobre el primero de ellos, un libro, titulado: Los esenios, Qumrán, Juan Bautista y Jesús de Hartmut Stegemann (1), me aclaró bastante el personaje, pero me quedan varias dudas sobre el mismo.
