

Corral Nocturne: A Novella (Historical Fairytales Book 1)

A short and sweet retelling of the beloved Cinderella story set on the Montana prairies. Life on her brothers ranch is lonely for Ellie Strickland. Eds ungracious manners and tight-fisted habits keep visitors away and his mother and sister close to home. But when Cole Newcomb, son of the wealthiest rancher in the county, meets Ellie by chance, he is struck by an unexpected impulse to rescue her from her solitude and Ellie's lonely summer is transformed. When Cole asks her to go with him to the Fourth of July dance, Ellie is determined that nothing, from an old dress to Eds sour temper, will stand in her way. By the time the Fourth of July fireworks go off at midnight, will they herald only more heartache, or maybe just maybe a dream come true? Novella, approximately 21,000 words.

Sobre el primero de ellos, un libro, titulado: Los esenios, Qumrán, Juan Bautista y Jesús de Hartmut Stegemann (1), me aclaró bastante el personaje, pero me quedan varias dudas sobre el mismo. Continuar leyendo Presentación de AGEA VALENCIA Hoja de Presentación de AGEA VALENCIA LA MENTALIDAD HIDALGA EN INDIAS Los españoles emigrados a América tenían un extraordinario interés en mantener las tradiciones y costumbres heredadas de sus antepasados. Cuando éstos pertenecían a la nobleza, era aún mayor el empeño por conservar esa condición de nobles hidalgos, y acreditarla debidamente mediante documentos, que la justificaran, para así transmitirlo a sus descendientes.
