

Fortunes Way

Fortunes Way by Jenna Byrnes Two men and one woman, thrown together by business, discover they have much more than that in common. But will it be enough to overcome the obstacles they face? The Double-F-Ranch has been in Dean Fortunes family for generations. Selling some of the best Appaloosa horses in California, the ranch was lucrative before the economy took a tumble. Searching for answers, Dean and his father look for ways to keep the family business profitable. Unfortunately, they have very different ideas about how to do that. Miranda McCabe is a ruthless, sought-after business consultant from Los Angeles. Hired by Deans father to turn the ranch around financially, Miranda struggles with her own issues. Shes there to work, but cant stop thinking about the owners sexy son, even if they didnt get off to the smoothest start. She also manages to ruffle the feathers of Kyle Reese, Deans ranch foreman. Though judging from the looks that pass between the two men, she wonders if he might be more than just the hired help. While Miranda devises a plan to save the ranch, Dean and Kyle put their own plot into action in hopes of saving both the ranch...and Miranda. Jenna Byrnes About the Author: Jenna Byrnes could use more cabinet space and more hours in a day. Shed fill the kitchen with gadgets her husband purchases off TV and let him cook for her to his hearts content. Shed breeze through the days adding hours of sleep, and more time for writing the hot, erotic romance she loves to read. Jenna thinks everyone deserves a happy ending, and loves to provide as many of those as possible to her gay, lesbian and hetero characters. Her favourite quote, from a pro-gay billboard, is Be careful who you hate. It may be someone you love.

Sobre el primero de ellos, un libro, titulado: Los esenios, Qumrán, Juan Bautista y Jesús de Hartmut Stegemann (1), me aclaró bastante el personaje, pero me quedan varias dudas sobre el mismo. Cuando éstos pertenecían a la nobleza, era aún mayor el empeño por conservar esa condición de nobles hidalgos, y acreditarla debidamente mediante documentos, que la justificaran, para así transmitirlo a sus descendientes.
