

Light from the Dark

After a year of picking up the pieces of his shattered life, former US Marshal Micah Beasley takes a job as bodyguard for a spoiled rich kid who can't leave his house. It's supposed to be a cupcake assignment. He just needs to get back in the game. What could possibly go wrong? Brilliant and incredibly talented, Christopher (Kit) Auberon wears tragedy as a second skin. Kit is all that's left of a powerful family. Seemingly forgotten, he's spent his entire life in seclusion at the family estate and he likes it that way. He's free to play his games and create worlds without ever having to set foot in the real one. Kit's past is anything but forgotten. When death threats become real threats, Micah and Kit are forced to put their differences aside to discover who wants Kit dead. But there are monsters in Kit's closet that should never be disturbed.

Sobre el primero de ellos, un libro, titulado: Los esenios, Qumrán, Juan Bautista y Jesús de Hartmut Stegemann (1), me aclaró bastante el personaje, pero me quedan varias dudas sobre el mismo. Cuando éstos pertenecían a la nobleza, era aún mayor el empeño por conservar esa condición de nobles hidalgos, y acreditarla debidamente mediante documentos, que la justificaran, para así transmitirlo a sus descendientes.
