

Whats God Got to Do with It?: Robert Ingersoll on Free Thought, Honest Talk and the Separation of Church and State

Robert Ingersoll (1833-1899) is one of the great lost figures in United States history, all but forgotten at just the time America needs him most. An outspoken and unapologetic agnostic, fervent champion of the separation of church and state, and tireless advocate of the rights of women and African Americans, he drew enormous audiences in the late nineteenth century with his lectures on freethought. His admirers included Mark Twain and Thomas A. Edison, who said Ingersoll had all the attributes of a perfect man and went so far as to make an early recording of Ingersoll's voice. The publication of *Whats God Got to Do with It?* will return Robert Ingersoll and his ideas to American political discourse. Edited and with a biographical introduction by Pulitzer Prize winner Tim Page, this new popular collection of Ingersoll's thought distilled from the twelve-volume set of his works, his copious letters, and various newspaper interviews promises to put Ingersoll back where he belongs, in the forefront of independent American thought.

Sobre el primero de ellos, un libro, titulado: Los esenios, Qumrán, Juan Bautista y Jesús de Hartmut Stegemann (1), me aclaró bastante el personaje, pero me quedan varias dudas sobre el mismo. Continuar leyendo Presentación de AGEA VALENCIA Hoja de Presentación de AGEA VALENCIA LA MENTALIDAD HIDALGA EN INDIAS Los españoles emigrados a América tenían un extraordinario interés en mantener las tradiciones y costumbres heredadas de sus antepasados. Cuando éstos pertenecían a la nobleza, era aún mayor el empeño por conservar esa condición de nobles hidalgos, y acreditarla debidamente mediante documentos, que la justificaran, para así transmitirlo a sus descendientes.
