

## Hot at Last by Cheryl Dragon: All Male Nudes! Series, Book Five

For two decades, Ken and Avery have worked together at the Big D. Dishing out zingers and sparking each other over and over. Their past relationship blew up and replaced with a cautious friendship because neither could or would leave. When Ken takes a fall off the stage and needs some help, Avery takes him in. There's no avoiding the chemistry, attraction, and unfinished business now. Sorting through their dirty laundry and ancient history, neither wants to face heartbreak again but friends-with-benefits simply won't work. With these two, it's true love or leave the Big D forever.

Cuando éstos pertenecían a la nobleza, era aún mayor el empeño por conservar esa condición de nobles hidalgos, y acreditarla debidamente mediante documentos, que la justificaran, para así transmitirlo a sus descendientes.
