

## Distractions (The Rebound Series Book 2)

Book Two of The Rebound Series continues Alex and Olivia's passionate love story. Olivia Ward always felt second best during a six-year relationship with her now-ex-boyfriend. That is, until she meets Alex Matlock just weeks after her break-up. Sensual and charming, Alex makes Olivia melt, in more ways than one, and he loves to demonstrate in sizzling, painstaking detail the way a man should treat a woman. But once Alex and Olivia embark on their scorching affair, they discover a consuming need that helplessly binds them together. Every day intensifies their relationship and, suddenly, Alex wants to be more than Olivia's rebound and she longs to give in to him. But the more Olivia learns about Alex and his painful past, the more he seems to close himself off. When a looming threat emerges, the two lovers need to decide if they can be without one another, or if they will surrender their hearts to stay in each other's arms. Distractions is the second novella in The Rebound Series after Complications.

Sobre el primero de ellos, un libro, titulado: Los esenios, Qumrán, Juan Bautista y Jesús de Hartmut Stegemann (1), me aclaró bastante el personaje, pero me quedan varias dudas sobre el mismo. Cuando éstos pertenecían a la nobleza, era aún mayor el empeño por conservar esa condición de nobles hidalgos, y acreditarla debidamente mediante documentos, que la justificaran, para así transmitirlo a sus descendientes.
