

Undressed (The Woodlands)

Noah and Graces happy ever after hits a stumbling block in the form of one shady professor threatening Noahs scholarship eligibility. Noah is given the choice of throwing his New Years MMA fight for a big payoff or accepting that the true meaning of love isnt measured by the thickness of his wallet but the depth of Graces big heart. This is a 22,700 word sequel to the full length novel, Undeclared, but can be read alone.
