

Address Book (Extra Large Address Books-Summer Series) (Volume 75)

**Holds 300+ addresses!! Great value, and fully customizable. Stay organized and keep track of addresses of family, friends and acquaintances with this jumbo-sized address book. This book includes double the page count of most address books, and its much larger, so there's more room to write. Designed for people who want to keep track of all their address in one place. It's always good to have a written record of everything, rather than keeping all of your records on the computer. Record names, addresses, cell and home numbers, work, fax, email addresses, birthdays and other notes. PLEASE NOTE: At this time, we are not able to manufacture our address books with tabs. We set our prices low and focus more on cover design. There are other address books with tabs, but the prices are generally higher for these. Please click on the Look Inside feature to make sure this book is right for you. Thank you :)

***Check out our other JUMBO address books to find a cover that meets your style preferences. All of our books have more pages than other address books on the market and they are jumbo sized, so you have plenty of room to write. We also create menu planners, recipe organizers and other types of books.
