

## Explosion of Love (The Armstrongs Book 6)

It takes an explosives expert to handle the sparks between them - and hes the best one. The only woman Grant Paxton ever wanted is the one he cant have. Samantha Armstrong is the off-limits youngest sister of two of his best friends and already taken. Samantha Armstrong is one of the hottest top models in New York. When her slimebag boyfriend pulls another stunt on her, shes about to ruin her career and her life. She breaks up with him for good and rushes into the arms of her best friend Grant Paxton, who works as a demolition expert in Chicago. Grant knows its a mistake to let her crash at his place, but who is he to send away a friend in distress? Especially if its the woman hes loved since they both were kids. When Samantha meets Grant again, heat is in the air. The attraction between them intensifies during their visit to Sandy Beach, where they spent many happy childhood summers. But hes been her best friend forever and shes determined not to ruin their friendship by letting herself fall in love with him. This is the sixth and last book in the Armstrong series. Every book in this 6-book big family contemporary romance series contains a complete love story without cliffhangers and can be read as stand-alone.
