

Reluctant Mate: Lonepine Wolf Shifters

Wolf Shifter and Police Officer Terry Moore was very surprised to find his mate in the middle of a life or death situation at an out of the way gas station. He is every more surprised to find out that his mate is both male and human - two things that he professed to despise. Will he overcome his prejudices and claim his mate or will allow his backward ideas and fears to take away his one shot at real happiness.
