

## The Billionaire Escape Plan: A Billionaire Friends to Lovers Romance (Friends with Benefits)

A new standalone romantic comedy from USA Today bestselling author Ember Casey. Most girls dream of marrying a billionaire. Me? I'd rather make fun of one. Especially if the billionaire in question is Alexander Grant. Excuse me--Xander Grant. That's right--the mega-hot entrepreneur who seems to top every magazine's Rich Eligible Bachelors list these days. To me, he'll always be Alex--my childhood best friend. The guy who joined me on all sorts of wild teenage misadventures. The only person in our small town who understood me. It's been four years since I've seen Alex. But suddenly he's back in our town at the exact same time my life is imploding around me. We've both changed so much--I mean, the guy used to live in ripped jeans, and now he wears nothing but designer suits--but when I need it most, he offers me exactly the escape I need. A chance to run away from my life, if only for a few days. I only hope my heart is prepared. Sobre el primero de ellos, un libro, titulado: Los esenios, Qumrán, Juan Bautista y Jesús de Hartmut Stegemann (1), me aclaró bastante el personaje, pero me quedan varias dudas sobre el mismo.
